Career Coaching

Converge can support you to navigate the changing world of work and to identify and achieve your career goals.

Career Coaching is provided independently to your organisation.

It's focused on providing you with support across workplace and personal issues through short-term career focused counselling, coaching and advice.

Your consultant is focused on supporting you to make informed decisions and to prepare for the next stage of your career. Career Coaching is here for you when:

- you are looking for clarity around your next career step and would like impartial support to identify future job options and opportunities
- you are experiencing major change in your personal or professional life prompting re-evaluation of your career goals and priorities
- you would benefit from speaking with an independent person about your current or future career plans.

Your Career Coaching is:

- **A free, confidential service**
- **Available to all employees anytime, anywhere**

Details of your discussion will not be shared with your manager or workplace. You can read our Privacy Policy on our website.
