

<b>Position Title:</b>	Graduate Nurse/Midwife Double Degree Program
<b>Operationally reports to:</b>	Nurse Unit Manager
<b>Professionally reports to:</b>	Chief Nursing and Midwifery Officer
<b>Department:</b>	Various Departments
<b>Directorate:</b>	Clinical Operations
<b>Cost centre:</b>	Various Cost Centres
<b>Code &amp; classification:</b>	Registered Nurse Grade 2 (YP2 – YP9)
<b>Performance review:</b>	Upon completion of probationary and qualifying period and annually or as requested
<b>Employment conditions:</b>	Nurses and Midwives (Victorian Public Health Sector) (Single Interest Employers) Enterprise Agreement 2020-2024 and its successors; and to the GV Health Policies and Procedures (and as varied from time to time).

Goulburn Valley (GV) Health is a Regional Public Hospital and Health Service for the Hume Region of Victoria, with main campuses located at Shepparton, Tatura and Rushworth. The main campus in Shepparton is the major acute referral hospital for the sub region. Additional sites are also located in Shepparton, Seymour, Benalla and Wodonga. GV Health provides a range of acute, subacute, mental health, aged, primary health and community services across the Goulburn Sub-Region within the Hume Region.

The *Goulburn Valley Health Strategic Plan 2024-26* provides the direction for GV Health with key elements summarised below.

Vaccination against COVID-19 and Influenzas are a mandatory requirement of this role. Vaccination against preventable diseases is also highly recommended. You will be required to provide evidence of your vaccination status during the application process.

**OUR PURPOSE**

Improving community wellbeing through high quality health services, outstanding care and learning.

**OUR VALUES AND BEHAVIOURS**

Our culture is made up of our CREATE values and behaviours, through which we commit to delivering ongoing quality healthcare for our community. Our CREATE values and behaviours are the foundations for our strategic pillars, and for achieving our goals.

 **Compassion**

- We treat others with kindness and respect;
- Our deep connection to the community enhances our care for patients;
- We support the whole patient journey;
- We are understanding of each other.

 **Respect**

- We respect the patient’s voice and their choices;
- We celebrate diversity and are proud of multiculturalism;
- We respect differences of opinions;
- We respect the input of different disciplines and areas of expertise.

 **Excellence**

- We are encouraged to grow professionally and personally;
- We are leaders in what we do;
- We invite feedback and are always striving to do better;
- We connect patients to further care and information.

 **Accountability**

- We are responsible for our actions;
- We are courageous in our decision making and grow from our mistakes;
- We deliver what we promise;
- We don’t compromise on our standards.

 **Teamwork**

- We are a multi-skilled workforce and we pool our resources together;
- We mentor and support one another;
- We take a collaborative approach to care;
- We are approachable.

 **Ethical behaviour**

- We hold ourselves to high standards;
- We rigorously uphold professional boundaries in our regional setting where patients may be friends or family too;
- We value and respect our patient’s privacy and trust;
- We stand up against unsafe practice.

## **CREATE Outstanding**

CREATE Outstanding encompasses foundation elements of the *Goulburn Valley Health Strategic Plan 2024-26* to link GV Health's purpose, values and our Culture of Care with fundamental organisational systems and processes. GV Health is striving to achieve CREATE Outstanding in every interaction with the people services are provided for as well as how staff work with each other.

## **ROLE STATEMENT:**

The Graduate Nurse Program for the Nurse/Midwife Double Degree is designed to support graduate nurses/midwives in the clinical area and to provide opportunities for consolidation of theory and refinement of clinical skills. The program consists of clinical and theoretical components which include those areas defined as major practice requirements for beginning practitioners at GV Health. This position supports the transition of the new graduate Registered Nurse/Midwife to independent practice by supporting learning needs, enhancing clinical exposure, and setting professional practices that encourage lifelong learning.

As a Graduate Registered Nurse/Midwife you are a vital member of the multidisciplinary health care team who strive to deliver excellent care to patients and their families. You understand the importance of providing nursing care which focuses on the best possible outcomes for your patients. Your interactions with patients, relatives and colleagues are guided by the organisation's values of patient centred care, trust and respect in an environment which continuously identifies opportunities for improving the quality of patient care.

## **KEY RESPONSIBILITIES, ACTIVITIES AND DUTIES:**

- Meet expectations of the Graduate Nurse/Midwife Program by developing and consolidating nursing and midwifery competence in accordance with the requirements of the Graduate Nurse/ Midwife Program.
- Accept accountability for own actions and seek guidance if situations exceed the scope of practice of a Registered Nurse/ Midwife.
- Liaise with the multi-disciplinary health care team to achieve the desired patient outcomes
- Contribute to the development of an effective discharge plan and provide appropriate patient education and referral to appropriate community providers.
- Provide high quality standards of patient care. This includes the assessment, planning, implementation and evaluation for care in collaboration with multidisciplinary team.
- Recognise the Registered Nurse and Enrolled Nurse responsibilities for delegation of nursing and midwifery care.
- Perform nursing and midwifery interventions and procedures in accordance with policy and procedures.
- Providing and coordinating all aspects of quality patient care.
- Demonstrate developing time management skills and work as a active team member
- Participate in all aspects of the Graduate Program
- Demonstrate the ability to consolidate theoretical learning to various clinical environment, and practice clinically within the scope of practice.

### **1. Provide quality and safe clinical care for consumers**

- Ensure consumers, families/representatives or carers are provided with timely information and are involved in decision making about their care planning and treatment
- Accept accountability for own actions and seek guidance when a situation exceeds experience and/or knowledge
- Uphold and protect consumer rights, maintain strict confidentiality and continually practice to the principles of open disclosure

- Comply with best practice healthcare standards, legislation, and GV Health's Clinical Governance Framework and clinical practice guidelines
- Consumer feedback and complaints are responded to appropriately to ensure that issues are resolved and quality and safe clinical care is provided
- Maintain accurate and current clinical records ensuring documentation meets professional and legal standards
- Promptly report vital consumer observations that are outside the normal range as per clinical guidelines
- Ensure an effective discharge from hospital or services that reflects the needs of the consumer.

## 2. Develop and maintain collaborative relationships with all disciplines

- Collaborate and communicate with all members of the health care team to achieve desired consumer outcomes
- Respect the decisions and actions of others
- Contribute to interdisciplinary team meetings and clinical education sessions to facilitate consumer care goals.

## 3. Support and participate in evidence-based programs to evaluate and improve the quality of consumer care and outcomes

- Maintain current knowledge of clinical practice
- Actively participate in identifying where improvements can be made to the quality of consumer care
- Participate in clinical audits, research, process redesign and accreditation against healthcare standards to ensure ongoing clinical practice improvement and the quality of consumer care.

## 4. Commit to ongoing professional development of self, other employees and the profession

- Maintain and demonstrate regulated clinical skills and competencies by undertaking professional development and completing mandatory training as defined by GV Health
- Undertake credentialing and review of scope of practice and work within these
- Improve performance by seeking feedback, setting goals and participating in annual performance reviews
- Support the development of others by acting as a resource to colleagues and participating in orientation and precepting of new employees and supervising students
- Provision of appropriate supervision to less experienced clinical employees
- Participate in committees and professional groups and disseminate relevant information to other health care professionals.

## QUALITY, SAFETY, RISK and IMPROVEMENT

- Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines
- Maintain a safe working environment for yourself, your colleagues and members of the public
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and the GV Health workforce
- Contribute to organisational quality and safety initiatives
- Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public
- Comply with requirements of the National Safety and Quality Health Service Standards and other relevant standards, regulations and legislative requirements.

**GV Health**

CREATE. Outstanding.

**OTHER REQUIREMENTS FOR ALL CLINICAL EMPLOYEES:**

- Where relevant collaborate with consumers and the community in the development, implementation and review of health service planning, policies and quality improvement activities
- Demonstrate sensitivity, empathy and respect for the customs, values and spiritual beliefs of others at all times
- Assist with the supervision of students where appropriate
- Understand and act in accordance with the GV Health Code of Conduct, values and relevant policies, procedures and guidelines
- Comply with the principles of Patient and Family Centred Care
- Promote GV Health as a quality regional health care provider

**KEY PERFORMANCE INDICATORS:**

- Registration is maintained and working within scope of practice
- Attendance and active participation at meetings as required
- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
- Active participation in the Performance and Development review process

**Other Position Requirements**

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required.

GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

**KEY SELECTION CRITERIA:**

**Mandatory**

- Commitment to the GV Health Values of *Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour.*
- Current registration with the Australian Health Practitioner Regulation Agency as a Registered Nurse and Registered Midwife
- Committed for delivering care that is women-focused and family-centred.
- Self-motivated with good communication, organisational and time management skills
- Computer literacy at intermediate level
- Willing to commit to the requirements of the Graduate Nurse/Midwife Program
- Motivated to and willing to engage in various clinical environments
- Evidence of full vaccination against COVID-19 and Influenza
- Clear National Disability Insurance Scheme Worker Screening Check prior to commencement of employment
- Satisfactory Victorian ‘Employee’ Working with Children Check prior to commencement of employment
- Completion of a Commonwealth of Australia Statutory Declaration prior to commencement of employment

**Inherent Requirements**

GV Health has a duty of care to all employees. The purpose of this section is to ensure that you fully understand and are able to perform the inherent requirements of the role (with reasonable adjustments if

required) and that you are not placed in an environment or given tasks that would result in risks to your safety or the safety of others.

The role may require the following tasks among other things:
