

Position Title:	Social Worker
Operationally reports to:	Nurse Unit Manager - Wanyarra
Professionally reports to:	Chief Allied Health Officer
Department:	Wanyarra
Directorate:	Community Care and Mental Health
Cost centre:	H0002
Code & classification:	Social Worker, Grade 2 (YC42 – YC45)
Performance review:	Upon completion of probationary and qualifying period and annually or as requested Victorian Public Mental Health Services Enterprise Agreement 2020 – 2024 and its successors, and GV Health Polices and Procedures (and as varied from time to time)
Employment conditions:	

Goulburn Valley (GV) Health is a Regional Public Hospital and Health Service for the Hume Region of Victoria, with main campuses located at Shepparton, Tatura and Rushworth. The main campus in Shepparton is the major acute referral hospital for the sub region. Additional sites are also located in Shepparton, Seymour, Benalla, Cobram, Echuca and Wodonga. GV Health provides a range of acute, subacute, mental health, aged, primary health and community services across the Goulburn Sub-Region within the Hume Region.

The *Goulburn Valley Health Strategic Plan 2024-26* provides the direction for GV Health with key elements summarised below.

Vaccination against COVID 19 and Influenza is a mandatory requirement of this role. Your employment is conditional on you providing evidence that you have maintained your COVID-19 and Influenza vaccination status during the term of your employment with GV Health

OUR PURPOSE

Improving community wellbeing through high quality health services, outstanding care and learning.

OUR VALUES AND BEHAVIOURS

Our culture is made up of our CREATE values and behaviours, through which we commit to delivering ongoing quality healthcare for our community. Our CREATE values and behaviours are the foundations for our strategic pillars, and for achieving our goals.

Compassion

- We treat others with kindness and respect;
- Our deep connection to the community enhances our care for patients;
- We support the whole patient journey;
- We are understanding of each other.

Respect

- We respect the patient’s voice and their choices;
- We celebrate diversity and are proud of multiculturalism;
- We respect differences of opinions;
- We respect the input of different disciplines and areas of expertise.

Excellence

- We are encouraged to grow professionally and personally;
- We are leaders in what we do;
- We invite feedback and are always striving to do better;
- We connect patients to further care and information.

Accountability

- We are responsible for our actions;
- We are courageous in our decision making and grow from our mistakes;
- We deliver what we promise;
- We don’t compromise on our standards.

Teamwork

- We are a multi-skilled workforce and we pool our resources together;
- We mentor and support one another;
- We take a collaborative approach to care;
- We are approachable.

Ethical behaviour

- We hold ourselves to high standards;
- We rigorously uphold professional boundaries in our regional setting where patients may be friends or family too;
- We value and respect our patient’s privacy and trust;
- We stand up against unsafe practice.

CREATE Outstanding

CREATE Outstanding encompasses foundation elements of the *Goulburn Valley Health Strategic Plan 2019-23* to link GV Health's purpose, values and our Culture of Care with fundamental organisational systems and processes. GV Health is striving to achieve CREATE Outstanding in every interaction with the people services are provided for as well as how staff work with each other.

ROLE STATEMENT:

The Social Worker will provide a comprehensive service to the Wanyarra Inpatient unit. The service will be client focused, efficient and effective, recovery focused and provide trauma focused care.

The position involves the provision of psychosocial assessment, counselling, crisis intervention, discharge planning and advocacy for patients, their families and significant others.

KEY RESPONSIBILITIES, ACTIVITIES AND DUTIES:

- Work within the multidisciplinary team, recognising and respecting the expertise and contribution of all team members.
- Work collaboratively with internal and external stakeholders to ensure appropriate resources and services are available to patients upon discharge.
- Organise and facilitate groups to improve the wellness and wellbeing of patients during their stay on the ward.
- Provide counselling to patients that is evidence based, client focused and trauma based.
- Develop discharge plans in consultation with clinical staff, patients and their families/carers.
- Attend and assist in facilitation of Mutual Help meetings and staff meetings.
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas

1. Provide quality and safe clinical care for consumers

- Ensure consumers, families/representatives or carers are provided with timely information and are involved in decision making about their care planning and treatment
- Accept accountability for own actions and seek guidance when a situation exceeds experience and/or knowledge
- Uphold and protect consumer rights, maintain strict confidentiality and continually practice to the principles of open disclosure
- Comply with best practice healthcare standards, legislation, and GV Health's Clinical Governance Framework and clinical practice guidelines
- Consumer feedback and complaints are responded to appropriately to ensure that issues are resolved and quality and safe clinical care is provided
- Maintain accurate and current clinical records ensuring documentation meets professional and legal standards
- Promptly report vital consumer observations that are outside the normal range as per clinical guidelines
- Ensure an effective discharge from hospital or services that reflects the needs of the consumer.

2. Develop and maintain collaborative relationships with all disciplines

- Collaborate and communicate with all members of the health care team to achieve desired consumer outcomes
- Respect the decisions and actions of others
- Contribute to interdisciplinary team meetings and clinical education sessions to facilitate consumer care goals.

3. Support and participate in evidence-based programs to evaluate and improve the quality of consumer care and outcomes

- Maintain current knowledge of clinical practice
- Actively participate in identifying where improvements can be made to the quality of consumer care
- Participate in clinical audits, research, process redesign and accreditation against healthcare standards to ensure ongoing clinical practice improvement and the quality of consumer care.

4. Commit to ongoing professional development of self, other employees and the profession

- Maintain and demonstrate regulated clinical skills and competencies by undertaking professional development and completing mandatory training as defined by GV Health
- Undertake credentialing and review of scope of practice and work within these
- Improve performance by seeking feedback, setting goals and participating in annual performance reviews
- Support the development of others by acting as a resource to colleagues and participating in orientation and preceptoring of new employees and supervising students
- Provision of appropriate supervision to less experienced clinical employees
- Participate in committees and professional groups and disseminate relevant information to other health care professionals.

QUALITY, SAFETY, RISK and IMPROVEMENT

- Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines
- Maintain a safe working environment for yourself, your colleagues and members of the public
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and the GV Health workforce
- Contribute to organisational quality and safety initiatives
- Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public
- Comply with requirements of the National Safety and Quality Health Service Standards and other relevant standards, regulations and legislative requirements.

OTHER REQUIREMENTS FOR ALL CLINICAL EMPLOYEES:

- Where relevant collaborate with consumers and the community in the development, implementation and review of health service planning, policies and quality improvement activities
- Demonstrate sensitivity, empathy and respect for the customs, values and spiritual beliefs of others at all times
- Assist with the supervision of students where appropriate
- Understand and act in accordance with the GV Health Code of Conduct, values and relevant policies, procedures and guidelines
- Comply with the principles of Patient and Family Centred Care
- Promote GV Health as a quality regional health care provider

KEY PERFORMANCE INDICATORS:

- Compliance with the AASW Code of Ethics
- Membership and/or eligibility for membership of AASW is maintained and working within cope of practice.
- Registration is maintained and working within scope of practice
- Attendance and active participation at meetings as required
- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
- Active participation in the Performance and Development review process

Other Position Requirements

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required.

GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
