Goulburn Valley (GV) Health is a Regional Public Hospital and Health Service for the Hume Region of Victoria, with main campuses located at Shepparton, Tatura and Rushworth. The main campus in Shepparton is the major acute referral hospital for the sub region. Additional sites are also located in Shepparton, Seymour, Benalla and Wodonga. GV Health provides a range of acute, subacute, mental health, aged, primary health and community services across the Goulburn Sub-Region within the Hume Region.

Vaccination against COVID-19 and Influenzas are a mandatory requirement of this role. Vaccination against preventable diseases is also highly recommended. You will be required to provide evidence of your vaccination status during the application process.

The Goulburn Valley Health Strategic Plan 2024-26 provides the direction for GV Health with key elements summarised below.

OUR PURPOSE

Improving community wellbeing through high quality health services, outstanding care and learning.

OUR VALUES AND BEHAVIOURS

Our culture is made up of our CREATE values and behaviours, through which we commit to delivering ongoing quality healthcare for our community. Our CREATE values and behaviours are the foundations for our strategic pillars, and for achieving our goals.

Compassion

- We treat others with kindness and respect;
- Our deep connection to the community enhances our care for patients;
- We support the whole patient journey;
- We are understanding of each other.

Respect

- We respect the patient's voice and their choices;
- We celebrate diversity and are proud of multiculturalism;
- We respect differences of opinions;
- We respect the input of different disciplines and areas of expertise.

Excellence

- We are encouraged to grow professionally and personally;
- We are leaders in what we do;
- We invite feedback and are always striving to do better;
- We connect patients to further care and information.

Accountability

- We are responsible for our actions;
- We are courageous in our decision making and grow from our mistakes;
- We deliver what we promise;
- We don't compromise on our standards.

Teamwork

- We are a multi-skilled workforce and we pool our resources together;
- We mentor and support one another;
- We take a collaborative approach to care;
- We are approachable.

Ethical behaviour

- We hold ourselves to high standards;
- We rigorously uphold professional boundaries in our regional setting where patients may be friends or family too;
- We value and respect our patient's privacy and trust;
- We stand up against unsafe practice.

CREATE Outstanding

CREATE Outstanding encompasses foundation elements of the *Goulburn Valley Health Strategic Plan 2024-26* to link GV Health's purpose, values and our Culture of Care with fundamental organisational systems and processes. GV Health is striving to achieve CREATE Outstanding in every interaction with the people services are provided for as well as how staff work with each other.

ROLE STATEMENT:

The Rural Allied Health Team (RAHT) operates from GV Health's CommunityHealth@GVHealth campus, 121-135 Corio Street, Shepparton. RAHT services include Dietetics, Occupational Therapy, Physiotherapy, Podiatry, Social Work and Speech Pathology who are supported by a Clinical Intake Coordinator and Team Assistant (AHA/EN) positions. The RAHT provides services across the municipalities of the City of Greater Shepparton, the Shire of Moira, and the Shire of Strathbogrie.

Services are primarily delivered under the Commonwealth Home Support Program (CHSP), State Home & Community Care Program for Younger People (HACC PYP). The Occupational Therapist will function as a member of the interdisciplinary team and is responsible for the planning and implementation of high quality Occupational Therapy services to clients within the RAHT funding stream i.e. frail older people, people with a disability and their carers.

The role also involves working in a private practice model with clients who have a funding package (for example a Home Care Package or the National Disability Insurance Scheme (NDIS)) or are full fee paying working, within the allocated hours and resources available from within the client's funding package. This involves working closely with case managers, support co-ordinators and planners to ensure the provision of care meets the client's needs.

Occupational Therapy services to clients will be provided in home and group based settings and involves the provision of home safety and functional assessments, prescription of aids, equipment and home modifications, implementation of programs to support ADL retraining and independence, energy conservation and pressure care management. The role also involves developing client directed care plans with an episodic approach focusing on clients identified goals and priorities. There is an opportunity to work closely with local government/ council services, home care agencies and other community programs to assist achieving the client's goals.

Services will be provided within the philosophy of the Victoria HACC PYP Active Service Model (ASM) and CHSP wellness, re-ablement and restorative frameworks. The frameworks aim to increase the effectiveness of services by maximising client independence through person centred and capacity building approaches to service delivery. As an outcome of this model of care the capacity of clients to live independently and to participate in social and community activities is improved or maintained such that their need for recurrent CHSP/HACC PYP services is delayed or reduced.

The position will also assist in the development and implementation of service models and independence programs in line with the current Government aged and disability sector reforms such as the CHSP, Community Aged Care Packages, National Disability Insurance Scheme (NDIS) and other areas of allied health service delivery.

The position amongst others is responsible for promoting GV Health as a quality regional health service provider.
