Department:	Speech Pathology
Directorate:	Community Care & Mental Health
Cost centre:	N3352
Code & classification:	Grade 2 (VW1 - VW4)
Performance review:	Upon completion of probationary and qualifying period and annually or as requested
Employment conditions:	Allied Health Professionals (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2021 - 2026 and its successors, and GV Health Policies and Procedures (and as varied from time to time)

Goulburn Valley (GV) Health is a Regional Public Hospital and Health Service for the Hume Region of Victoria, with main campuses located at Shepparton, Tatura and Rushworth. The main campus in Shepparton is the major acute referral hospital for the sub region. Additional sites are also located in Shepparton, Seymour, Benalla and Wodonga. GV Health provides a range of acute, subacute, mental health, aged, primary health and community services across the Goulburn Sub-Region within the Hume Region.

The *Goulburn Valley Health Strategic Plan 2024-26* provides the direction for GV Health with key elements summarised below.

OUR PURPOSE

Improving community wellbeing through high quality health services, outstanding care and learning.

OUR VALUES AND BEHAVIOURS

Our culture is made up of our CREATE values and behaviours, through which we commit to delivering ongoing quality healthcare for our community. Our CREATE values and behaviours are the foundations for our strategic pillars, and for achieving our goals.

Compassion

- We treat others with kindness and respect;
- Our deep connection to the community enhances our care for patients;
- We support the whole patient journey;
- We are understanding of each other.

Respect

- We respect the patient's voice and their choices;
- We celebrate diversity and are proud of multiculturalism;
- We respect differences of opinions;
- We respect the input of different disciplines and areas of expertise.

Excellence

- We are encouraged to grow professionally and personally;
- We are leaders in what we do;
- We invite feedback and are always striving to do better;
- We connect patients to further care and information.

Accountability

- We are responsible for our actions;
- We are courageous in our decision making and grow from our mistakes;
- We deliver what we promise;
- We don't compromise on our standards.

Teamwork

- We are a multi-skilled workforce and we pool our resources together;
- We mentor and support one another;
- We take a collaborative approach to care;
- We are approachable.

Ethical behaviour

- We hold ourselves to high standards;
- We rigorously uphold professional boundaries in our regional setting where patients may be friends or family too;
- We value and respect our patient's privacy and trust;
- We stand up against unsafe practice.

CREATE Outstanding

CREATE Outstanding encompasses foundation elements of the *Goulburn Valley Health Strategic Plan 2024-26* to link GV Health's purpose, values and our Culture of Care with fundamental organisational systems and

CREATE. Outstanding.

processes. GV Health is striving to achieve CREATE Outstanding in every interaction with the people services are provided for as well as how staff work with each other.

ROLE STATEMENT:

The Grade 2 Speech Pathologist, based in the Speech Pathology Department, will function as an active member of the multidisciplinary team. The Grade 2 Speech Pathologist is responsible for providing high quality patient care in the acute and sub-acute inpatient clinical settings, Emergency Department, outpatients and/or outreach as required. Caseload will require competent clinical skills in the assessment, planning, implementation of treatment and management of swallowing and communication impairments.

As a member of the Speech Pathology team, the Grade 2 Speech Pathologist will be required to assess, plan, recommend and implement a wide range of Speech Pathology services to inpatients recovering from trauma, surgery, acute illness, neurological deficits and others as required. Current evidence-based practice will be utilised to develop effective methods of management, communication and information sharing with other team members and service providers.

This position is responsible for assisting in the coordination of the student training program as well as shared supervision of Grade 1 Speech Pathologists as required.

This position, amongst others, is responsible for promoting GV Health as a quality regional health service provider.

KEY RESPONSIBILITIES, ACTIVITIES AND DUTIES:

- Provide timely assessment, appropriate intervention and advice to inpatients admitted with a variety of medical conditions
- Triage new referrals in a timely manner to optimise intervention
- Provide coordinated care by working in a multidisciplinary team environment to ensure optimal and timely discharge home, transfer to other units or residential care
- Provide timely and professional liaison with other therapists, care providers and families of patients where appropriate
- Provide clinical supervision of, and direction for, Grade One Speech Pathologists, Allied Health Assistants and undergraduate students on clinical placement
- Communicate any issues with the Manager Speech Pathology as they arise, and use collaborative, problem-solving methods to provide solutions to any such issues
- Participate in team meetings and actively maintain and monitor statistics to be able to provide up-to-date information to Manager Speech Pathology as required
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas
- Participate in the weekend and public holiday Speech Pathology roster as required

1. Provide quality and safe clinical care for consumers

- Ensure consumers, families/representatives or carers are provided with timely information and are involved in decision making about their care planning and treatment
- Accept accountability for own actions and seek guidance when a situation exceeds experience and/or knowledge
- Uphold and protect consumer rights, maintain strict confidentiality and continually practice to the principles of open disclosure
- Comply with best practice healthcare standards, legislation, and GV Health’s Clinical Governance Framework and clinical practice guidelines
- Consumer feedback and complaints are responded to appropriately to ensure that issues are resolved and quality and safe clinical care is provided
- Maintain accurate and current clinical records ensuring documentation meets professional and legal standards
- Promptly report vital consumer observations that are outside the normal range as per clinical guidelines
- Ensure an effective discharge from hospital or services that reflects the needs of the consumer.

2. Develop and maintain collaborative relationships with all disciplines

- Collaborate and communicate with all members of the health care team to achieve desired consumer outcomes
- Respect the decisions and actions of others
- Contribute to interdisciplinary team meetings and clinical education sessions to facilitate consumer care goals.

3. Support and participate in evidence-based programs to evaluate and improve the quality of consumer care and outcomes

- Maintain current knowledge of clinical practice
- Actively participate in identifying where improvements can be made to the quality of consumer care
- Participate in clinical audits, research, process redesign and accreditation against healthcare standards to ensure ongoing clinical practice improvement and the quality of consumer care.

4. Commit to ongoing professional development of self, other employees and the profession

- Maintain and demonstrate regulated clinical skills and competencies by undertaking professional development and completing mandatory training as defined by GV Health
- Undertake credentialing and review of scope of practice and work within these
- Improve performance by seeking feedback, setting goals and participating in annual performance reviews
- Support the development of others by acting as a resource to colleagues and participating in orientation and preceptoring of new employees and supervising students
- Provision of appropriate supervision to less experienced clinical employees
- Participate in committees and professional groups and disseminate relevant information to other health care professionals.

QUALITY, SAFETY, RISK and IMPROVEMENT

- Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines
- Maintain a safe working environment for yourself, your colleagues and members of the public
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and the GV Health workforce
- Contribute to organisational quality and safety initiatives
- Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public
- Comply with requirements of the National Safety and Quality Health Service Standards and other relevant standards, regulations and legislative requirements.

OTHER REQUIREMENTS FOR ALL CLINICAL EMPLOYEES:

- Where relevant collaborate with consumers and the community in the development, implementation and review of health service planning, policies and quality improvement activities
- Demonstrate sensitivity, empathy and respect for the customs, values and spiritual beliefs of others at all times
- Assist with the supervision of students where appropriate
- Understand and act in accordance with the GV Health Code of Conduct, values and relevant policies, procedures and guidelines
- Comply with the principles of Patient and Family Centred Care
- Promote GV Health as a quality regional health care provider

KEY PERFORMANCE INDICATORS:

- Maintain eligibility for Speech Pathology Australia membership
- Adhere to Speech Pathology Australia Code of Ethics and work within scope of practice at all times
- Deliver Speech Pathology services in line with established departmental guidelines and best practice
- Active participation in organisational projects, working groups and other team meetings as required
- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
- Active participation in the Performance and Development review process
- ABC data reporting is completed within agreed timeframes
- Completion of correspondence to service providers to communicate client plans and outcomes in a timely manner.

Other Position Requirements

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required.

GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

KEY SELECTION CRITERIA:

Mandatory
