

2025

Joint Addiction & Mental Health ECHO

(JAMH) ECHO

FREE
EDUCATION

JAMH Sessions is a program for providers who want to improve the mental health and addictions care for their patients. Led by Associate Professor Ravi Bhat and Professor Edward Ogden and facilitated by GV Health Mental Health and Addiction Specialists, the program is designed to expand the capacity to care for mental health and addictions in the Goulburn Valley region and beyond.

Using real-time, interactive video:

- Learn new approaches and skills
- Participate in in-depth clinical case consultation
- Receive feedback and recommendations
- Provide expertise to a community of colleagues

What is Project ECHO®?

Extension of Community Healthcare Organisations (ECHO) is an “all teach, all learn” approach to knowledge sharing in rural and underserved communities, moving knowledge rather than people to achieve better health outcomes.

WHEN: Weekly online sessions held Thursdays from 12:30pm - 1:30pm via ZOOM
WHO: Any provider in primary care, mental health or drug & alcohol service
COST: Free
JOIN ZOOM: <https://bit.ly/3uyTwwO>
CONTACT: JAMHECHO@gvhealth.org.au
